

## 2020 Scholarship Program

To All Members and Port Community,

In 2012 the Board of Directors of the Ports of Philadelphia Maritime Society approved the forming of a standing Scholarship Committee. The Scholarship Committee is responsible for developing, administering, promoting and processing scholarship applications.

Thanks to the generosity of our Delaware River Maritime Day sponsors, the Society will offer up to five \$1,500 scholarships to qualified students and individuals who reside or work within the Tri-State (Pennsylvania, New Jersey, Delaware) area. These scholarships are intended to advance their education, career or professional training in the marine/maritime/transportation/logistics industry.

We encourage all POPMS members to advertise these scholarships to their employees, associates or acquaintances pursuing a career or education in these fields.

**Complete applications and supporting documents must be postmarked or received by the Society no later than March 31, 2020.**

The awardees will be contacted in April and will be invited as guests of the Maritime Society to attend the Annual Maritime Day Dinner in May at the Seaport Museum at which time the scholarships will be awarded.

Interested students and individuals should apply by downloading the application form that can be found on our website at [www.portsofphilamaritimesociety.com](http://www.portsofphilamaritimesociety.com). It is the Applicant's responsibility to arrange for all supporting documentation to be included with the application. All material must be received by the required deadlines.

**Incomplete or late applications will not be accepted.**

Sincerely,

Nathan Hauser  
President  
Ports of Philadelphia Maritime Society
