

June 6, 2024

Dear Delaware River Port and Business Community,

The Ports of Philadelphia Maritime Society created our scholarship program in 2012. The program has grown in number of scholarships offered to also the amount for each scholarship. That is all due in part to you and our other sponsors. Even during the Covid years, we saw growth and support that has led to the success of our program.

The need for financial support to ensure a strong maritime workforce remains our primary objective. Scholarships have been awarded to mariners seeking upgrades to licensure, maritime professionals furthering their education through professional development and certification classes and students pursuing maritime degrees. Funds have also been utilized to assist local children to attend maritime-related events, classes and summer camps.

All sponsors are invited to join us at the 54th Annual Crab Feast at Fort Mifflin on September 13. All “Bosun” level sponsors and above will have their company logo displayed at the event and on all literature.

We appreciate the businesses and individuals that have sponsored the program in years’ past and invite you to participate again as a sponsor this year. We are excited to welcome new sponsors for 2024.

Please complete the attached SPONSOR FORM and submit payment as soon as you can to ensure that you and your company are included for our event.
