

April 28, 2025

Dear Delaware River Port and Business Community,

The Ports of Philadelphia Maritime Society created our scholarship program in 2012. The program has grown in number of scholarships offered and the associated amount of each scholarship. That is all due to you and our other sponsors. Even during the Covid years, we saw growth and support that has led to the success of our program.

The need for financial support to ensure a strong maritime workforce remains our primary objective. In the past the Society has awarded scholarships to mariners seeking upgrades to licensure, maritime professionals furthering their education through professional development/certification classes and students pursuing maritime degrees. Our fundraising efforts have also been used to send local children to maritime-related events, classes, and summer camps.

All sponsors are invited to join us at the 56th Annual Crab Feast at Historic Fort Mifflin on September 12. All “Bosun” level sponsors and above will receive the associated number of crab feast tickets along with their company logo displayed at the event and on all literature.

We ask if you plan to donate, please do so by August 6, so we can ensure that you receive your Crab Feast tickets and get your logo on the poster and other literature.

We appreciate the businesses and individuals that have sponsored the program in years’ past and invite you to participate again as a sponsor. We are excited to welcome new sponsors for 2025.

Please complete the attached SPONSOR FORM and submit payment by August 6 to receive your Crab Feast tickets and have your logo displayed at the Crab Feast.
